

The 15th International Conference of Women Engineers and Scientists

Adelaide Convention Centre

Adelaide, South Australia

CORPORATE MEETING DAY

TUESDAY 19 JULY 2011 9.30AM TO 4.00PM
ADELAIDE CONVENTION CENTRE

As part of the International Conference for Women Engineers and Scientist (ICWES 15), the organising committee is offering the opportunity for organisations to hold their own **Corporate Meeting Day** on Tuesday 19 July 2011 at the Adelaide Convention Centre.

This is a fantastic opportunity to assemble your women engineers and scientists from across Australia and around the world to discuss and share organisation specific ideas and issues as well as celebrate the achievements of your Women's Network Group. The format and agenda for the meeting is up to each organisation to create.

Your own meeting day is an excellent lead in to this very exciting conference with themes around **Leadership, Innovation and Sustainability**. This is the first time such an international conference for women engineers and scientists has been held in Australia.

The ICWES 15 organising committee is happy to offer to arrange a meeting room and catering at the Adelaide Convention Centre for the day at cost.

Costs are:

Meeting Room (up to 60): \$1,020 + GST

Catering: \$50 per person + GST

Audio Visual: Additional cost based on requirements

Meeting rooms are strictly limited so to organise a Corporate Meeting Day, please contact:
